Processing Cases at Wayne County Probate Court

- Proceedings are initiated by filing a petition, application or summons and complaint in Room 1307 at the Probate Counter. There is a separate check in line for attorneys in the back adjacent to the public access viewing area. There are two service clerks permanently assigned to only process work for lawyers. There are no limits on the amount of items that can be filed at one time so there may still be a waiting period before you are served. If you cannot wait, leave your items in the Attorney Drop Box next to the attorney lines; they will be processed within 2-3 business days. Do not have your paperwork started to be processed by the attorney clerks and then leave the court, as this is unfair to the lawyers behind you in line who are waiting in person to have their filings processed.
- Attorneys can sign all pleadings or forms filed with the Court on behalf of their client except inventories, accounts, acceptance of appointments, bonds, closing statements and receipts. MCR 5.114(A)(3).
- Filing fees can be accepted in check form by the service clerk that waits on you at the counter. To expedite the processing of your paperwork, please let the attorney clerk know how you will be paying (cash, check, MasterCard or Discover). For cash or credit cards the cashier located in Room 1305 will be able to assist you. Fees are payable by cash or check made payable to Wayne County Probate Court. Fees are payable in person by MasterCard or Discover. The bank will charge a convenience fee. See Michigan Supreme Court Administrative Order 2004-8 and the Probate Fee Schedule found at www.courts.michigan.gov.

- You can calculate an Inventory fee at www.wcpcc.us on the Fees page. For decedents with a date of death **on or after** March 28, 2013, a deduction is allowed for any lien on real estate. No parcel can have a value of less than zero, and there is no carryover to the other estate assets. For decedents with a date of death before March 28, 2013, the inventory fee is based on the gross estate. 2012 PA 596; *Estate of Sandra Wolfe-Hadad v. Oakland County and Oakland County Probate Court*, 272 Mich App 323; 725 NW 2d 80 (2006). Please note that liens can only be deducted from real property.
- A hearing date and time is established when a petition has been paid for at the cashier or with the service clerk. This date is usually 4-6 weeks after the petition is filed.
